

▼ ECOQUE STAINLESS STEEL PORTABLE GRILL \$80

This lightweight grill heats from the bottom up for energy-efficient cooking, consuming up to 75 percent less fuel—using lump charcoal, twigs or even alcohol—than traditional charcoal grills.

▶ THE HOUSE OF MARLEY GET TOGETHER BLUETOOTH PORTABLE AUDIO SYSTEM \$220

Sustainable bamboo panels and recycled plastic belie the sophistication of this portable stereo. Fire up your tunes with powerful woofers and even charge other devices via USB power output.

PICNIC TECH

*Thanks to these high-tech barbecue gadgets, it's never been easier to share a juicy burger or a cold drink with your family or friends.*

▲ ENSO PORTLAND SANGRIA \$20

Chill, transport and serve summer sangria in this vacuum pouch, whose spout makes it easy (even after you've had a few) to pour this blend of dry rosé, Northwest berries and a hint of spice.

◀ BBQ DRAGON \$50

No more fiddling about with finicky coals or trying to shield matches from the wind: Supercharge your charcoal grill in less than 10 minutes or air-blast dying embers to bring them back to life.

▶ CORKCICLE. ONE \$50

Keep white and red wines cooled to just the right temperature with this stainless steel bar tool. The new and improved version even aerates wine as you pour right through the "icicle."
